Join us for the
American Solar Energy Society's
14th annual National Solar Tour

Real solutions for energy independence

Real Places for Real People

- Experience solar electric, solar hot water, wind power, daylighting, and other green building options.
- Learn energy efficiency strategies and methods.
- Talk with the homeowners to learn how the technology works, what it costs, and why it makes sense.
- See Alternative Powered Vehicles

Find tours near you at

www.SolarWashington.org/tour

Sponsored in part by The Bonneville Environmental Foundation,
The Northwest Solar Center, Puget Sound Energy, Seattle City Light,
Clark County PUD, Cowlitz County PUD, Snohomish PUD, Chelan PUD
Tacoma Power, and Clallam County PUD
