

**UW Mechanical  
Engineering Building –  
Solar Project**

**Project Facts:**

Location: University of Washington, Seattle

Startup: January 2005

Size: 2.6 kilowatts

Modules: (16) Sharp 165 watt mono-crystalline

Power Inverter: (2) SMA Sunny Boy 1800 120VAC

Equipment cost: \$14,844

Project Team: Seattle City Light  
University of Washington  
Northwest Solar Center
