

Orca Elementary School – Solar Project

Project Facts:

Location: 3528 S Ferdinand St, Seattle

Startup: March 2003

Size: 1,120 watts

Modules: (8) BP Solar 140 watt poly-crystalline

Power Inverter: AEI GC1000 48VDC/120VAC

Equipment cost: \$6,441

Project Team: Seattle City Light
Seattle Public School District
WSU Northwest Solar Center
